8:30 to ??? Hospitality.

Sunday

Have a safe trip home. Take time along your way to smell the Bluebonnets.

Our Buicks and Bluebonnets Tours are great excuses to put your home town in your rear view mirror. Our 30th edition will be in Brenham, Texas. There'll be plenty of tires to kick and lies to swap to keep the guys occupied while the gals explore the many shopping venues in the area. There are also two wineries, an expansive nursery, and the Texas Pioneer Museum. For more information on Brenham and Washington County, check out visitbrenhamtexas.com.

The host hotel provides quality accommodations, and the Buick Club discount will be available until April 1st. However, it's not necessary that you stay with us. The Brenham area has a wide range of facilities, from \$50 to more than \$700, that should suit any taste.

The Blue Bell creamery is open Monday through Friday, 8:00 to 5:00. While there are no plant tours at this time, the visitor center, gift shop, and ice cream parlor are open. To check their current status call 800-327-8135.
